

# JOHN MCMICHAEL

## GENERAL MANAGER

John has over 35 years experience in the Civil and Construction Industry and is well respected within the industry. He has worked on iconic construction projects in South Australia and across Australia. John has successfully completed some 320 projects with a combined value in excess of \$300 Million.

John's drive, passion and knowledge of the civil industry sees him involved in many of T & J Constructions' projects. John oversees the company's operations and is proud of the financial position that sees T & J Constructions remain a contractor of choice not only for clients but also suppliers who recognise the importance of diligent payment cycles.

John is able to ensure that all work no matter how small or large is delivered with extensive knowledge and efficiency. Under his ownership the company has grown from a small team of only 8 employees to over 30 employees with a wide range of skills and expertise.
